Your data has been exported successfully.

You can find your ImageMatch database at C:\Users\pfuller.FULLCOLOR\Desktop\Export Data\Bush Elementary School.mdb

Open ImageMatch and use this file when it asks if you wish to restore a job.

OK

Export for Image Match

The Yearbook Export creates three files. The file with which the yearbook CD will be created is the .mdb file.

The other two files will not be used in creation of the yearbook CD.
